

Vetta Macchi

VA

MECHANICAL DIAL SCALE

**PREMIUM QUALITY MANUFACTURING
TRUSTED WEIGHING PERFORMANCE**

Vetta Macchi are a world renowned manufacturer of high quality mechanical platform scales based in Varese, Italy. Founded in 1946 the Vetta Macchi range of premium quality mechanical dial scales is unmatched for weighing performance and aesthetic appeal. AWM Limited have been selling Vetta Macchi products for over 10 years and are their exclusive UK distributor.

The Vetta Macchi VA is a traditional mechanical dial scale with an oil oscillation shock absorber and multi-revolution display dial. Ideal for environments that are not suited to digital and electronic scales, the reliable and accurate VA is available in Mild Steel or Stainless Steel and capacities up to 2,000kg.

**DESIGNED AND BUILT IN ITALY
HIGHLY RELIABLE AND ACCURATE**
